

# COMMUNITY PROFILE

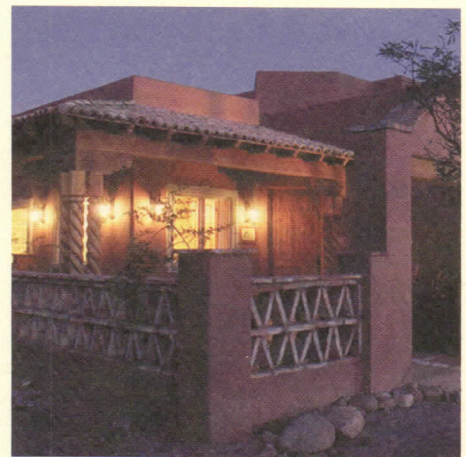

- A stunning new exclusive gated community in the heart of Green Valley • Golf membership included at four great Arizona golf courses • Green Valley Recreation membership included
- New home designs from award-winning architect Kevin Howard including Colonist Mexico inspired courtyard Haciendas

As Green Valley's developer of luxury residential communities, Dorn Homes presents the long awaited development of the famous Walden estate. This coveted gated enclave of 81 estate home sites situated on 130 acres in the heart of Green Valley sets a totally new standard for luxury communities.

**Architectural Beauty:** Taking its inspiration from the world renowned Mexican colonist town of Alamos, Dorn has artfully combined the beauty and drama of Colonist Mexico with stunning courtyard hacienda floor plans from award winning architect Kevin Howard.

**Lifestyle:** Your purchase of a new Dorn Home includes a golf membership at four of the best golf courses in Southern Arizona: San Ignacio and Canoa Hills in Green Valley and Arizona National and Forty Niner in Tucson.

In addition to golf, the Alamos residents will belong to Green Valley Recreation, offering over 15 million dollars in recreation campus amenities.

This gated enclave will become your private natural retreat. As the massive ornate steel gates swing open, and you drive through the dramatically walled entry, no other place in Arizona will match the beauty, drama, and exhilaration of living at Alamos. *Welcome Home!*

# GREEN VALLEY RECREATION

There is endless recreational opportunities, along with 300 sunny days to enjoy whatever activity you can dream of. Your Dorn Home purchase at Alamos comes with special privileges at recreational facilities throughout Green Valley.

Green Valley Recreation (GVR) provides over 15 million dollars in campus facilities including 12 recreation centers, 12 climate-controlled swimming pools, fitness centers with state-of-the-art equipment, racquetball, and tennis.

With over 150 clubs to choose from you'll be able to find the activity of choice, from high-tech computer labs to cultural events to arts and crafts to ceramic studios and woodworking shops. Hundreds of volunteers assist a dedicated staff to help operate year-round programs for both the active and passive adult lifestyle.
