

SA Greys Board Meeting
Wilmot Library
December 8, 2019
Tucson, AZ

Meeting was called to order at 2:00 pm.

Approval or correction of minutes: Minutes from the previous board meeting were approved and will be posted.

Financial Report

There was no official financial report; however, the sale of the Green Valley lot has closed and the "Arizona Gives" fundraiser is upcoming as well as the end of year donations could be coming soon.

Development

Mailed in donations Giving Tuesday receipts brought in approximately \$9,000 last week.

Greyt Winter Festival will be held on Sunday, January 26 at the Coronet on Cushing Street, 1-4 pm. Silent auction items are needed: wine, jewelry and gift cards are needed.

Outreach

Fall Roo-Union was a success - many participants and gratitude for the volunteers. Hereafter, concentration will be on volunteers in the coming year.

Operations

Dogs from SWGX arrived on 12/7; this group has formed to gradually move hounds from the tracks to farms in Kansas. They will continue to bring hounds to the southwest in winter months and deliver hound to the northwest in summer months.

Six hounds arrived at the end of November; this could mean monthly deliveries of dogs or dogs received on a regular bases.

There is a possibility we could get dogs which have been pre-vetted - possibly at a nominal cost to us - this is in preliminary development.

Elections

The first email for voting was sent on December 1; 2nd email scheduled for 12/8. Annual meeting will be held on Sunday, January 12, at the Wilmot Library. A reminder has been going out to renew memberships to those who haven't already renewed.

Meeting was adjourned at 2:55 pm.

Respectfully submitted,
Anne Lopez
